Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition, and copies of such notice shall be sent by the parties inserting such notice to the Clerk of the House to be filed amongst the records of the Committee on Standing Orders.

57. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, together with the notices published. 61. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses

of the General Acts relating to the details to be provided for by such Bills:—Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be re-cast by the promoters and re-printed at their expense before any Committee passes upon the clauses.

11. Every elector shall vote without undue delay, and shall quit the polling place as soon as his or her ballot paper has been put in the ballot box.

12. No elector shall take his or her ballot paper out of the polling place.

DECLARATION OF RETURN.

The Returning Officer shall also deliver to the Clerk of the Municipal Council with his return the ballot boxes and ballot papers, the original statements of the several Deputy Returning Officers, together with the lists of voters used at the several polling stations, and all other lists and documents used or required at such election, or which have been delivered to him by the Deputy Returning Officers.

15. The Clerk of the Municipal Council shall retain in his possession the papers delivered to him by the Returning Officer with the return for at least six months, if the election is not contested, and if the election is contested, then for one year after the termination of such contestation. No ballot paper so returned shall be inspected by any person except under the rule or order of a Judge of the Supreme Court of British Columbia; but all other papers so retained may be inspected at all reasonable times by any person upon payment to the Clerk of the Municipal Council, for the use of the Corporation, of a fee of \$1.00 for each such inspection.
